

BROMA GRAIN BAIT

0.05 g/Kg BROMADIOLONE

A ready to use grain bait for the control of rats & mice in and around commercial, industrial, domestic and agricultural buildings.

Check out overleaf for details.

BROMA GRAIN BAIT RODENTICIDE

Surefire BROMA GRAIN BAIT rodenticide is our ready-to-use grain-based bait, proven to be highly palatable to rats and mice. It contains Bromadiolone, a second-generation anti-coagulant, which ensures that a single dose of the bait will be effective.

SITUATION	PEST	RATE	CRITICAL COMMENTS
Apply where pests occur in and around industrial commercial, agricultural and domestic buildings.	Rats	150 g per bait tray	Put measured quantity of bait in suitable containers, ie bait trays. Protect baits from water where possible.
	Mice	50 g per bait tray	BAITING STRATEGY- Eliminate as far as practicable, all alternative food sources. Bait infested area. Place baits under cover. Inspect baits daily. Replace eaten baits. If eaten quickly increase number of baits. Continue observation and replenishment until no more baits are taken. Baiting for 2 weeks is necessary to reduce rat/mouse numbers.

Container sizes:	Carton quantity:
2 Kg	4
15Kg	

Do not exceed 3m between bait stations for mice (or 9m for rats).

The use of this product for control of protected native rodents requires approval from wildlife authorities.
