Silvan Australia Pty. Ltd.  
68 Atlantic Drive  
Keysborough VIC 3173

PRODUCT NAME (DESCRIPTION)	<b>20 LITRE TROLLEY</b>
Part Number	<b>TR25-2</b>
Barcode (EAN)	<b>9327602335912</b>
Category	<b>A</b>

PRODUCT FEATURES	BENEFITS
1. 20L self-contained compact portable sprayer with its own power supply	1. Self-powered and portable, ideal for a commercial grower, or hobby farmer. You will find many uses for this unit
2. 12V Smoothflo pump, 7 litres per min open flow (max 120psi) with Spotspray Jolly gun, adjustable nozzle and 6M of hose	2. Smoothflo pump maximises delivery of pressure and flow at even levels without pulsation
3. Compact design heavy duty construction frame with removable handle and extra wide wheels and solid metal axle.	3. Uses a small area of floor space for convenient storage on vehicle, Solid metal axle for added strength

## Specifications

### Pump Specifications

- Smoothflo DDP-552 series, 12V DC electric pump fitted with Viton valves and a Santoprene diaphragm
- Electric motor manufactured with quality roller bearings at each end of the shaft and sealed to IP55 rating
- 9 Amps max current draw
- Maximum open flow capacity up to 7 liters/minute. The Smoothflo pump internally regulates the flow under pressure to maximize the flow under higher pressures
- The Smoothflo pump is designed to allow for high pressure and smooth-running ideal for spot spraying. At high pressures of 100 Psi the flow can be as great as 1.7L/min
- Maximum pump pressure can be adjusted up to 120psi. Factory set as 110psi
- Positive displacement 3 chamber diaphragm pump with built in auto bypass, including quality Honeywell on demand pressure sensing micro switch for on-demand spraying.
- Self-priming
- Max liquid temperature 60° Celsius

Typical applications: Agricultural spraying and pest control

### Construction Materials

Plastics: Polypropylene  
Valves: Viton  
Diaphragm: Santoprene  
Fasteners: Stainless steel

The DDP-552A Smoothflo is manufactured in the USA

Note: This pump is not rated for pumping flammable liquids

### Warranty

12 Months

### Tank

- Impact resistant polyethylene
- U.V. Stabilized

### Other

- Spotspray Jolly spray gun with 600mm long stainless-steel lance with adjustable cone-jet nozzle that provides an adjustable conical spray pattern as well as a pencil stream.
- Availability to fit other nozzles suitable for various applications
- 6M of quality 10mm ID delivery hose
- Screw down lid with anti-spill breather
- 12V battery, 7 Amp hour
- Easy access on/off power switch and charging socket
- Supplied with 240V AC to 12V DC charger (can also be charged by a vehicle with additional fittings not supplied)
- Pressure regulator and gauge to adjust to low and high pressures.
- Large 250mm wheels

### Dimensions

Length 310mm  
Width 510mm  
Height 980mm  
Weight 17kg
