

# EARSAVER

+ MASK EXTENDER STRAP

*The Ipkis Ear Saver was developed to reduce the pain and pressure on the ears caused by the wearing of a mask for lengthy periods of time.*

*Developed in close consultation with leading clinicians, nurses and infectious control teams, the Ipkis Ear Saver is designed to reduce the pressure on the ears and evenly distribute that pressure across the back of the head.*

*Made of durable recyclable TPE that can be repeatedly washed and disinfected without bending, abrasion, curling, shedding or any other types of degradation.*

# EARSAVER

+ MASK EXTENDER STRAP

## COMFORT

Made from 100% soft and flexible material which molds to the users head shape.

## ADJUST MASK WITH EASE

Our uniquely designed raised area in the middle of the ear saver allows users to easily install and adjust the position of the mask with touching the mask or pinching any skin.

## DESIGNED FOR CLINICIANS

The raised section at the back allows the mask to be easily adjusted by scouts and other medical personnel during surgery.

## HYGIENIC

Made from TPE which is easily sanitized and cleaned. A combination of a smooth finish and the use of chemical resistant material the part is easily to be cleaned, disinfected or sterilised.

## ONE SIZE FITS ALL

With 4 size runs to secure your ear bands too, the Ipkis Ear Saver has been developed to fit most head shapes and sizes.

## ADJUSTABLE

The split straps allow for the ear saver to be adapted to a wide variety of head shapes and hairstyles.

## DURABLE

The Ipkis Ear Saver can be reused without fear of damage

## MADE IN AUSTRALIA

100% designed and made in Brisbane, Australia.

## SPECIFICATIONS

- Unit weight = 16 grams
- Made from Thermoplastic Elastomers (TPE)
- Packaging: 10 units per bag  
28 bags per carton  
60 cartons per pallet

## APPLICATION / HOW TO APPLY

To minimise contact with your face mask first secure the mask to the Ipkis Ear Saver at both ends, then place chin securely in mask and pull the Ipkis Ear Saver back over the head to lock it in place. Adjust straps as required.

## MORE THAN ONE WAY TO WEAR A MASK

Ipkis Ear Saver allows the user the customisability for how they wish to wear their mask. Find the ultimate fit for your face to ensure a comfortable and efficient seal for maximum protection.
